

A letter to the Parents

Dear Parent/s,

02/04/2020

We are going through a tough time. The outbreak of Corona Virus has brought our life to a standstill. Entire world is in the grip of this deadly virus but as a responsible Institution we are trying our best to ensure that the students utilise their time qualitatively at home.

Hence, our teachers are working hard to upload study material and worksheets on a regular basis.

You are requested to see that your ward visits the school website regularly and completes the given assignments.

We are quite optimistic that very soon the condition will normalise and we will be back to our routine. We assure you once the regular school starts we will conduct recapitulation sessions and also ensure the completion of syllabus.

In light of the directives received from the CBSE, all the students from Nursery to class VIII are promoted to the next higher class. Students of classes IX and XI will be promoted on the basis of all the internal assessments. Students are advised to visit CBSE website for DIKSHA app and E-Pathshsala for the study material. They can also follow the study material being uploaded by the teachers.

Kindly follow the government guidelines and stay healthy.

With Kind Regards

Principal
