Chairman's Message

I am extremely happy that, New Era Progressive School Korba C.G is publishing its first edition of school magazine for the academic session (2023-24). I firmly believe that the school magazine will give you a brief idea about our Institution's talented students, who have brought laurels to our school scholastically as well as co-scholastically.

The publication of magazine will indeed be a landmark in the history of NEPS Korba. It is always a cherishing experience to achieve success but it is also undeniable that success cannot be achieved without perseverance and dedication.

I congratulate the Principal, Vice Principal, Head Master, Staff, Teachers, Students and all the stake holders for their continuous support and trust.

Kishor Kumar Sahu
Chairman

PRINCIPAL's DESK

It gives me immense pleasure to share with you the first edition of the school magazine. The academic session 2023-24 was a notable year for us as far as academics is concerned. I am delighted to share with you that our school students showcased their prowess and talent by shining in the Class X and XII CBSE Board Examinations. Our school is the only school in Korba which has been recognized by the British Council of India. Remarkable feat achieved successfully for the second term.

Our aim is to produce excellent professionals ready to serve the society selflessly. We have a dedicated team of faculties working hard to equip the students with the latest knowledge that would help them to emerge successfully in the competitive world.

Our Campus is resonant with the concept of learning by doing. We have a congenial atmosphere for learning.

I would take this opportunity to congratulate staff, students and parents for their unconditional support and commitment. It is because of their continuous and joint efforts that this Institution is growing and contributing continuously for the overall development of the society.

D S Rao
Principal

Vice Principal's Desk

It gives me immense pleasure to be a part of New Era Progressive School's very first magazine. "Learning is a continuous process from the minute we are born, until we die." NEPS provides a platform for every student to develop his/her learning skills.

As you scan through the pages, it will enlighten you with the important milestones that we have achieved this year. Our budding talents have expressed their thoughts, ideas, hopes, feelings, aspirations and convictions in a creative way. The faculty members are trained to improve the required skills. This magazine should be a good source of guidance for faculty and coming batches of students in choosing activities of their choice in future.

We commit ourselves to the pursuit of excellence in the field of education so that our students become academically superior and in turn contribute to create a great society.

Sanjay Tiwari
Vice Principal

Head Master's Message

New Era Progressive School has a proven track record of excellence for over a decade now. We firmly believe that “Success comes to those who work hard and stays with those, who don't rest on the laurels of the past.” With this vision in mind we are coming up with our school magazine, adding another feather in the cap of our achievements, knowing that there are many more to come.

School is a temple of learning and our management and staff are putting their best efforts to give quality education to our children. To add more value, this magazine will provide an open platform for our budding talents to showcase their creativity and will give a glimpse to the parents about the milestones we have achieved. It will give a free reign to the imagination of our children and nurture a creative spirit.

I wholeheartedly thank the management for encouraging us to execute such ideas and the staff, students and all the other stakeholders for their kind support and cooperation.

About the School

New Era Progressive School, established in the year 2003, is a co-educational school, spread over sprawling 5 acres of land. Its Imperturbable ambience makes it propitious for learning. It has been designed in such a manner that every area is under vigilance.

The school has been established with a motto to impart holistic education to the students of korba and its vicinity. We focus on student centric learning, thereby discourage rote learning.

About Chief Guest

Dr. Harvinder Mankkar started his career at the age of just 12 and after that he never looked back. He is a leading figure in the field of writing and direction. He has illustrated over 22,000 books, directed and written over 800 commercial advertising films, written over 1200 live corporate shows, travel shows, TV fiction serials and 4 Hollywood and several Bollywood films. The cartoon show 'Motu Patlu' is written and created by him and is very famous in the world of publication and animation. He has received many national and international honours. He was also awarded the Rajiv Gandhi Excellence Award by the Government of India for his outstanding work in the field of Hindi cinema and direction.

Appreciation note by the chief guest for the school.

I wish to express my heartfelt gratitude to the esteemed management of New Era Progressive School for extending a gracious invitation and allowing me the privilege of participating in the splendid Annual Function 2023-24. This event was an exceptional amalgamation of enjoyment and profound educational experiences.

The realization of such a magnificent event is not an instantaneous feat; rather, it is a culmination of tireless efforts initiated weeks in advance. The meticulous planning and attention to detail were manifestly evident, reflecting the dedication and precision of the organizing team. My sincere commendations and applauds to the energetic, ambitious, and devoted staff of the institution, whose expertise and commitment were instrumental in orchestrating such a successful gathering.

I am profoundly thankful to Chairman Mr. Kishor Kumar Sahu for his unparalleled warmth and gracious hospitality extended during my visit. With heartfelt appreciation, I extend my best wishes to the entire team for all their future pursuits and initiatives, hoping for continued success and excellence.

A step towards digital development

Unified Payment Interface is a revolutionary development by the **National payments Corporation of India(NPCI)** established by **Reserve Bank of India(RBI)** and **Indian Banks Association(IBA)** to foster the digital development in India. Number of transactions with different Bank Accounts and financial institutions now can be settled with the help of a single mobile application. UPI connects and executes several banking transactions involving payments and receipts (fund routing)with a safe and secure mechanism. At present around 75% of all the retail transactions in India are digital. E-transactions have placed India at the top of the leading developed economies In the world. Phone pe, Paytm and Google pay are some of the mobile applications commonly being used in India with more than 256 million QR codes as per reports.

Precautions to use **UPI**:

- 1.Download application from an authentic platform.
- 2.Use a secured UPI PIN.
- 3.Verify the transaction details before payment.
- 4.Monitor UPI related transactions regularly.
- 5.Don't share PIN or link with anyone.
- 6.Do not ignore messages related to E-payments using UPI.

Be smart and participate wisely in the process of Digital Development of India.

Career Selection

First step for higher secondary students to be successful

Choosing a career wisely is crucial for long term satisfaction and success. It requires careful consideration of one's interests, skills and values. Here are some tips to help you make a wise career choice:

1. Self-assessment: Identify your strengths, weaknesses, interests, and values.
2. Research: Explore different career options and industries to understand the job market and growth potential.
3. Networking: Connect with professionals in your desired field to gain insights and advice.
4. Education and training: Consider the educational requirements and training needed for your chosen career path.
5. Work-life balance; Evaluate how the career aligns with your personal and family life.
6. Financial considerations: Assess the earning potential and job stability in your chosen field.
7. Passion: Choose a career that aligns with your passions and interests.
8. Long-term goals: Consider how the career aligns with your long-term aspirations and goals.
9. Flexibility: Look for careers that offer room for growth and development.
10. Seek guidance: Consult with career counsellors or mentors to gain perspective and advice on choosing the right career path.

By following these tips and taking the time to carefully consider your options, you can make a well informed decision about your career path, setting your self up for success and fulfilment in the long run.

SPORTS ACTIVITIES

Sports play a great role in improving and maintaining overall health, improving mental skills and concentration level in the students . We not only focus on academics but try to enhance different skills through sports in our students. Involvement of parents added energy to the event.

ENGLISH ACTIVITIES

English has been regarded as the first global spoken language. It has become a part and parcel of almost every existing arena. To enhance the English language there are various activities that take place in the school.

HINDI ACTIVITIES

To focus on the learning of our mother tongue and also the local language various activities are conducted in the school to showcase the interest of the students.

SOCIO ECO ACTIVITIES

Socio Eco club activities are planned throughout the year. Students become well informed individuals in various areas such as politics, citizenship, cultural awareness and some general knowledge related to the world affairs.

SOCIO ECO ACTIVITIES

Students of NEPS paid a visit to the village to show how does a panchayat work and a skit was performed by the students on “Child Marriage”.

CULTURAL ACTIVITIES

Students paid a visit to the old age home to donate clothes and develop empathy towards elderly. We follow Indian culture and tradition and ensure adding to the ethics of the students.

MATHS ACTIVITIES

Maths hunt exam was conducted in the school to make the students understand basic mathematics behind the measurements and fractions to cook and bake mathematical knowledge.

MUSIC ACTIVITIES

The school has a dedicated music department with an extensive range of musical instruments. We train our students in vocal, instruments and dance. The choir with a strength of 50 students gives performance on various occasions. In dance also our students have performed at various levels and brought laurels to the school. It not only shapes their talent but provides a platform to shine beyond academics.

SWACHH BHARAT

Swachh Bharat Abhiyan is a national level campaign to bring awareness among the citizens of India with an emphasis on cleanliness. In relation to this (campaign) an activity was conducted in which students, teachers and the staff whole heartedly participated.

GRAND PARENTS DAY

Grandparents day was celebrated in our school to show the bond between the grandparents and grandchildren. The grandparents thoroughly enjoyed the event and appreciated the school management for honouring them.

FOOD FEST

India is a vast country with varied customs, traditions and food habits. In order to make students aware of staple food of Chhattisgarh and Kerala various dishes were displayed. Students throughly enjoyed the event.

FOOD FEST

This activity was organised keeping in mind 'Art Integration project' proposed by CBSE - Kerala and Chhattisgarh.

INDEPENDENCE DAY

Our students brought laurels by winning first position at the district level competition on Independence day 2023.

FUN OF SOLVING MATHS

In the realm of numbers, where logic prevails,
 Lies a world of puzzles & mathematical tails,
 With mind sharp & pencils in hand,
 We embark on a journey that's nothing but grand.
 On the joy of solving equations with ease,
 Aa we unravel their secrets, like a gentle breeze.
 The thrill that courses through every vein,
 When we conquer a problem & break its chain.
 From addition to algebra & calculus Too,
 Mathematic present a challenge a new.
 But with every challenge, a reward awaits,
 A sense of accomplishment that resonates.

Oh, the fun of solving maths, it's a true delight,
 As we polish our skills & aim for new heights.
 In every equation lies a hidden treasure
 And with every solution, our love for math
 Grows in measure.
 Where others may find complexity and despair,
 We find beauty & patterns, in numbers
 So rare.
 The satisfaction that fills every math
 Lover's heart,
 Is a testament to the fun of solving maths,
 With formula & theorems, we can cross paths.
 For in this world of numbers, we find
 Solace & glee,
 As we unlock the magic, and set our
 Mind free.

I've never been good at saying good byes,
Even sunset brings sadness to days I never wanted to die.
I've never considered ending to be necessary ,
The idea of moving on always sounded scary.
But to let the old things go,
I have to welcome every new day with hopeful hellos.
So I no longer watched sunset with despire,
they now remind me of the beauty that
life was willing to share.

All what we have
What if we didn't have
Would we have died Or live like them and smiled

I don't have eyes
So I don't have a vision
Or I think all these are lies
My inner sense is my reason

I am life long deaf
Can't hear the beautiful voices
But thanks to the lord
I have peace with no noises

What we have what we don't
All has to be perception
Glass half empty
Or glass full for some reason.

MY LEARNING FROM NOSTALGIA

Just when I felt

Visages mostly known
Displaying pride & cheers ,
With amalgams of frown &
animosity to peers,
A few of them
completely whipped off of my frame
such ubiquitous gems
couldn't be redeemed, such a shame
I reached its end , to find
nostalgia in its purest,
but the aftermath it holds behind
lets the emotions & reality manifest

विश्वगुरु बनता भारत

आज, प्रौद्योगिक आर्थिक और रक्षा के क्षेत्र में भारत की बढ़ती हुई शक्ति को देखकर कोई भी यह कह सकता है कि भारत विश्वगुरु बनने के पथ पर अग्रसर है। भारत अब आत्मविश्वास से भरपूर है और हर क्षेत्र में अपनी पहचान बनाने में सफल हो रहा है। दुनिया अब भारत की ओर आशाभरी निगाहों से देख रही है। यही वजह है कि सभी अंतर्राष्ट्रीय फोरम में भारत की गूंज साफ सुनाई दे रही है। हाल ही में हुए जी-20 सम्मिट में भारत की अध्यक्षता ने यह दिखा दिया कि हम किसी से कम नहीं। भारत ने दुनिया को वसुधैव कुटुंबकम् और अतिथि देवो भवः का आधार दिया। आज भारत हर क्षेत्र में प्रगति पर भरपूर ज़ोर दे रहा है। चंद्रयान-3 की सफल लैंडिंग से चंद्रमा की दक्षिणी ध्रुव पर सफलतापूर्वक लैंड करने वाला भारत दुनिया का पहला देश बन गया है। भारत अपने युवाओं की आत्मनिर्भरता के लिए नित्य नई योजनाओं का शुभारंभ कर रहा है जिससे रोज़गार के क्षेत्र में युवाओं की उपस्थिति बढ़े। प्रधानमंत्री कौशल विकास योजना और स्टार्ट अप इंडिया जैसी योजनाओं ने युवाओं के लिए प्रगति के नए मार्ग प्रशस्त किए हैं। सदी की सबसे बड़ी महामारी के समय डेढ़ सौ देशों की सहायता करते हुए भारत ने मानवता की नई मिसाल कायम की। हर क्षेत्र में भारत की बढ़ती आत्मनिर्भरता को देखते हुए यह कहा जा सकता है कि कुछ ही समय में संपूर्ण विश्व भारत को विश्वगुरु के नाम से जानेगा - एक देश जिसने सदैव विश्व के लिए मानव कल्याण के नए पथ स्थापित किए, एक देश जो संपूर्ण विश्व को संकटों से बाहर निकालने का प्रबल सामर्थ्य रखता है और एक ऐसा देश जिसकी संस्कृति वर्तमान समय में भी दुनिया को वसुधैव कुटुंबकम् जैसे नैतिक मूल्यों से बड़ी सहजता से परिचित करा सकती है। धन्यवाद।

माँ तुम ना होती तो क्या होता ?

तूने ही तो इस जग की सच्चाई बताई है
तेरे आँचल में ही तो मैंने रात बिताई है।

तेरे मुस्कराहट से ही तो मेरी मुस्कराहट आई है।
गलती करूँ तो तूने ही तो समझाया
माँ तुम ना होती तो क्या होता ?

प्यार भी दिया तूने फूलों की तरह
क्यों नहीं माँ सारी दुनिया तेरी तरह ?

मेरी माँ से बेहतर
मुझे कोई नहीं समझ सकता
माँ तुम ना होती तो क्या होता ?

माँ तेरे लिए जितना लिखूँ उतना कम है

माँ तूने ही तो जन्म दिया
तूने ही तो दिया सवेरा

रास्ते अक्सर आसान नहीं...

Don't give up

मंजिल नजदीक नहीं अभी
हिम्मत को बांधे रखते सभी।
चल रहे मंजिल की ओर कहीं,
क्योंकि रास्ते अक्सर आसान नहीं।

रूकावटें राह में आती रहेंगी,
बिना रूके हम कदम बढ़ाते रहेंगे।
ख्वाबों के आसमान में, एक परिंदा रहता जैसे
सारे दायरे तोड़ कर बस अब उड़ना है वैसे।

जिस तरह बहता पानी कभी रूकता नहीं,
पर्वत का शीश कभी झुकता नहीं,
रास्ते आसान चाहे न भी हों।
मैं मुसाफिर कभी थकता नहीं।

अब फिर उठ चला हूँ मैं उन राहों में।
हिम्मत को साथ लिए,
और जज्बे को भरकर अपनी बाहों में।
आज हार गया तो क्या हुआ? कल फिर सवेरा होगा।
फिर सिर्फ एक तारा नहीं, पूरा अंतरिक्ष मेरा होगा।

आज नहीं ये रास्ते आसान,
बेड़ियाँ बांधे फिरता ये सारा जहान।
उन जंजीरों को पिघलाकर,
बढ़ना है इन राहों में,
आखिरी सांस भरनी है उन परिंदों के आसमानों में।

Don't you ever give up please?
Give it a day at least!
The earlier you and the present one
Do differ!
All through the pain and hardship you
Could suffer.
Halfway is done, the other half is left
You'd be happy knowing,
The sorrow had already left.
It's just up to you now,
I'll never give up, must be your vow!
If trying isn't expensive,
Then why is it feared?
Hard work is rare,
You couldn't afford it? Not possible,
Don't you find this weird?
You shall never give up ,
Set back and come back are poles apart,
You are strong, just believe
That, And look how successful you are.

भारत का वीर चंद्रशेखर आजाद

जबसे वह भारत में जन्म लेकर आया, अंग्रेजों के मन में उसका खौफ छाया,
अमर रहे उस वीर का ऐसा बलिदान, जिस पर आज भी है भारत को गुमान।
उसने अपना पूरा जीवन लगा दिया देश की इबादत में,
और अपने बहुमूल्य प्राण लगा दिए देश की हिफाजत में।
गुलाम बनकर जीने वाला तो नौकरों की तरह जीता है,
पर जिसके अंदर आजादी की चाह हो वह खून के घूंट भी पीता है।
कहता था वह कि तिरंगा हमारी जान है,
और इस पर कुर्बान होना हमारी शान है।
देश की सेवा में थक कर उस वीर ने अपना दम तोड़ दिया,
और भारत के महान वीरों में अपना किस्सा जोड़ दिया।
गर्व है भारत माँ को अपने इन वीरों पर, जिन्होंने नहीं रहने दिया इसे इन अंग्रेजों की जंजीरों में,
ऐसे वीर को सदा याद रखना, और अपनी भारत मां को सदा ही आबाद रखना।

अनुभव के मोती

हम क्यों लिखें ? क्या संसार में रचनाओं की कमी है? नहीं बिल्कुल नहीं। हमें लिखना ही चाहिए तथा अपने अनुभव के मोतियों को अपनी रचना में पिरोना चाहिए ताकि आने वाली पीढ़ी उन गलतियों को करने से बचे जिन गलतियों को अपनी अनुभवहीनता के कारण वे करने वाले थे।

मानव जीवन नश्वर है लेकिन रचनाएँ अविनश्वर है अतः हमें अच्छी रचनाओं को धरोहर के रूप में सुरक्षित रखना चाहिए। जिन महान व्यक्तियों का जीवन चरित्र सबके लिए उदाहरण बन गया जैसे रानी लक्ष्मीबाई, विवेकानंद, चंद्रशेखर आजाद, भगत सिंह उनके जीवन तथा उनके अनुभवों से सीख लेकर हमें अपने जीवन में समय का सदुपयोग करना चाहिए तथा जीवन में आने वाली चुनौतियों का सामना करना चाहिए। चुनौतियाँ कह कर नहीं आती बस आ जाती है। अतः हमें अपने मन को हर क्षण नई चुनौतियों के लिए तैयार रखना चाहिए। जीवन में केवल चुनौतियाँ ही नहीं आती कई बार कुछ ऐसी उपलब्धियाँ भी मिल जाती है जिसे अचानक पाकर हम आश्चर्यचकित हो जाते हैं ऐसी सुखद स्थितियों में भी हमें सहज रहना चाहिए, बड़ों के आशीर्वाद व छोटों के स्नेह से हमें कठिन परिस्थितियों में अडिग रहना सीखना चाहिए। एक शिक्षक होने के नाते हमें अपने विद्यार्थियों को सही राह पर चलना सिखाना चाहिए। हमें उन्हें सच्चा देशभक्त व अच्छा इंसान बनाना चाहिए हमें अपने कर्तव्य-पथ से जौ भर भी नहीं टलना चाहिए। महान व्यक्तियों के अनुभवों से हमें यह सीखना चाहिए कि हम माँ सरस्वती के आँगन के सच्चे साधक बनकर अपने विद्यार्थियों के व्यक्तित्व को प्रभावपूर्ण बनाएँ उन्हें व्यवहार कुशल बनाएँ, उनका चारित्रिक विकास करे उन्हें देश से प्रेम करना सिखाएँ, उन्हें सत्य और असत्य के बीच अंतर करना सिखाएँ, उन्हें विवेकपूर्ण निर्णय लेना सिखाएँ, उन्हें निर्भीक बनाएँ, उनके सपनों को पंख दें उनके इरादों को मजबूती दें। उन्हें उड़ना सिखाएँ, उन्हें दूर आसमान में बिना किसी रूकावट के उड़ते देखें उन्हें मुश्किलों को दूर करता देखें। हमारे विद्यार्थी हर दर्द को मुस्कान में बदल दें हमारे विद्यार्थियों पर भारत माँ गर्व करें। हमारे विद्यार्थी किसी भीड़ का हिस्सा न बने बल्कि अपना स्वतंत्र व्यक्तित्व बनाएँ तभी हम शिक्षकों को अपना लक्ष्य मिलेगा।

My Life

In the journey of life keep moving.
Never give up keep improving.
Embrace challenges, face them strong ,
Achieve your goals, all life long.
Everyday rise for the test,
Constantly strive to be your best.
Chase your dream with all your might,
Reach your goal , Shine so bright.

Friendship

In the world full of roller coaster
A friend like you, may strength holder
Together we laugh, together we cry
In our life journey we`ll fly.
In sunny days & stormy weather
Our bond get stronger , ever –forever.
We shared secret & dream together
You are the friend who is always there forever

EMBRACE REFLECTION

I compose echoes on myself when I'm lonely,
I stamp out my passions through a pen.
I observe my reflection in others' eyes,
It's correct or wrong, but I continually try.
Your perception for me,
Is a reflection of you ?
Well said -
'Conduct reflect personality'.
Through your perception or my reflection ?
People often say-
We're the contrivers of our conduct,
Actions in anger is destruct.
Build the conduct wisely,
Hold the reflection passage tightly.
Unleash your eventuality,
Nourish your heart.

With your strength to get with a endlessly god.
Hope,
You'll never see yourself,
The way others do.
Embrace your reflection,
Follow the practice I do
Reflection may bruit or roar,
Just embrace its power.
The opinion that matters,
comes from the eyes in your mirror.

Itz time to embrace your power!
Embrace your reflection!

ये जीवन प्रभु ने

हमको दिया है ये जीवन समर्पित है, प्रभु के चरणों में

दिव्यता प्रवाहित हो, भावों में भी मेरे
पवित्रता प्रकट हो, कर्मों से मेरे
संयम से पूर्ण हो, जीवन भी मेरा
ये जीवन समर्पित है--...

दोष से मुक्त हो, मन भी हमारा
सत्य से युक्त हो, पथ भी हमारा
सद्भाव पूर्ण हो हृदय हमारा
ये जीवन समर्पित है प्रभु ----

जीवन की नैया को, प्रभु अपनी ओर मोड़ दो
प्राणों की चेतना में, मन को मेरे जोड़ लो
भीतर की शांति की, अनुभूति कर लूं
ये जीवन समर्पित है..... --

In Sports Success

means

Hard-work and Sacrifice

If any student has got success that means he has sacrificed a lot. Those children who work hard and maintain discipline in and outside the school and who are consistent towards their sports have achieved success from block level to national level. Children move forward fighting almost every kind of difficulties and challenges. In sports, children achieve success by facing every type of emotion. Today, children do not need a playground for sports, rather they need an opportunity to prove themselves. To be able to recognize their ability and self-confidence children should not be afraid of any sport or challenge. We are always with children for their activities and games and always encourage them. Along with teachers, parents also need to encourage them to choose their favorite game, where they can devote their time and excel.

Winning or losing is a part of sports. When we win, we should not stop working hard and when we lose, our entire concentration should be towards winning. When we take children out for any sports event, they observe the activities around them and see the reality of life in a better way. In sport competitions, children learn the utilization of time and money. From seating arrangements in bus to booking train tickets, they get exposure that take them out of their comfort zone and teach them to face difficulties. Also, children get to know different things by playing and interacting with people from different districts and states.

COMMON BEHAVIORAL ISSUES

Understanding and addressing child behavior in school requires a multifaceted approach, as various factors contribute to a child's actions. Here are some common causes of behavioral issues in school along with potential solutions:

Home Environment:

Cause: Unstable or unsupportive home environment can impact a child's behavior.

Solution: Encourage positive parenting practices, provide family support services, and maintain open communication between school and parents.

Parenting Styles:

Cause: Inconsistent or excessive controlling parenting styles can contribute to behavioral challenges.

Solution: Promote positive parenting workshops, engage parents in their child's education, and foster a collaborative approach between parents and teachers.

Peer Relationships:

Cause: Negative peer interactions can influence a child's behavior.

Solution: Implement anti-bullying programs, promote positive peer relationships, and provide social skills training to enhance interpersonal interactions.

School Environment:

Cause: The overall school environment, including discipline strategies, can impact behavior.

Solution: Foster a positive and inclusive school culture, implement effective discipline policies, and provide support services for students facing challenges.

Academic Challenges:

Cause: Academic difficulties or lack of engagement can lead to behavioral problems.

Solution: Identify and address learning gaps, provide academic support, and implement differentiated teaching methods to accommodate diverse learning styles.

Learning Styles:

Cause: Mismatch between teaching methods and a child's learning style can result in frustration.

Solution: Use varied instructional approaches, incorporate hands-on activities, and offer personalized learning opportunities.

Emotional Well-being:

Cause: Emotional stress or challenges can impact behavior.

Solution: Implement counselling services, create a supportive and empathetic school environment, and teach emotional regulation skills.

Special Needs and Disabilities:

Cause: Behavioral issues may arise from unmet needs related to special education.

Solution: Provide appropriate accommodations and support services, involve specialists as needed, and ensure the implementation of Individualized Education Programs (IEPs).

Cultural Influences:

Cause: Cultural differences can affect behavior in a school setting.

Solution: Promote cultural understanding, celebrate diversity, and ensure that school policies are culturally sensitive.

Collaborative Approach:

Cause: Lack of collaboration between parents, teachers, and other professionals.

Solution: Encourage open communication, hold regular meetings, and establish collaborative support teams to address individual student needs.

It's important to note that individualized approaches are often necessary, as each child is unique. Collaboration among parents, teachers, administrators and support staff is key to developing and implementing effective strategies for managing and improving child behavior in school.
