MATHS

1. My Daily Math Diary (5 Days Activity)

Record any 5 days of your holiday.

- Write:
- Time you woke up
- Time spent studying, playing, watching TV
- Convert all time into hours and minutes
- Draw a small table for each day.

2. Mini Shopping Activity

Pretend you went shopping with ₹500.

- Make a list of at least 5 items with prices.
- Calculate:
- Total cost
- Money left
- Draw it neatly like a bill

3. Family Survey (Bar Graph)

Ask 5 family members: “How many hours do you watch TV daily?”

Make a bar graph using the data.

4. Symmetry Drawing

Draw any object (butterfly, flower, leaf)

- Show line of symmetry
- Colour the figure properly and neatly

5. Bonus Fun Task

Create your own Math Game (like quiz, puzzle, or board game)

Bring it after holidays

Instructions:

- ✓ Do work neatly in coloured A4 size paper
- ✓ Make it creative and attractive
- ✓ Arrange it in a file
- ✓ Make creative front page

EVS

1) Poster Making Activity

Prepare a poster on the topic “Save Wildlife” along with a suitable slogan.

- Use white chart paper
- Size should be A4 size
- The poster should be colourful and neatly presented.

2) Best Out of Waste Activity

Create a bird feeder using waste materials.

After it is checked, it should be placed in a suitable area such as a balcony or outside the house, so that birds can easily access it.

The work should be neat, creative, and eco-friendly

3) Scrapbook Activity – “My Favourite Bird”

Make a small scrapbook on one bird.

Include the following:

Picture (to be pasted on white file paper)

- Habitat
- Food
- Special features.

Kindly ensure that all the work is done neatly and submitted in one file.

Art and craft & Music

a) Make a poster on Save Environment.

Or

b) Write 10 lines about any one Indian artist and also draw a small picture related to their style.
